*The fact is that most alcoholics, for reasons yet obscure, have lost the power of choice to drink. Our so called will power becomes practically non-existent. We are unable at certain times to bring into our consciousness with sufficient force the memory of suffering and humiliation of even a week or a month ago. "We are without defense against the first drink." ALCOHOLICS ANONYMOUS P24*

## NOTES:

### Open Vs. Closed:

Nonalcoholic guests are welcome at "open" A.A. meetings. Attendance at "closed" meetings is limited to those who are alcoholic or think they may have a drinking problem.

### AA Preamble:

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

### \*\*\*What is an Unregistered Meeting?

As stated in the long form of A.A.'s 3rd Tradition, "[any] two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation." The 4th Tradition adds that "each A.A. group should be responsible to no other authority than its own conscience" (with the caveat that its actions refrain from injuring other groups or A.A. as a whole). Under these terms, A.A. groups have no official obligation to ally with, seek sanction from, or otherwise conform to the larger fellowship of Alcoholics Anonymous or its General Service Office (G.S.O.).

Unregistered Groups may, for any number of reasons, choose to remain outside or unassociated with the General Service Office of Alcoholics Anonymous and even the A.A. Fellowship at large. Sometimes not being registered can be a simple oversight. Groups that choose to register typically do so because they find commonality with the A.A. Fellowship as a whole, with its Steps and Traditions, and hence they desire to share in the benefits of that relationship as well as contribute their voices to the collective conscience, which directs A.A. affairs locally, nationally, and internationally. Further explanation about the importance of group registry can be found on A.A.'s website
